

Sample Parent Letter

Dear Parent:

We are working on a unit of study about jobs within the family setting. Attached to this letter is a list of jobs students identify with home. Your child will need your help in choosing who is responsible for each job in your home. In helping, you may wish to discuss the requirements of the jobs and the reasons each person assumes job roles.

It is my belief that practical experience in comparing jobs will help to increase your child's awareness of the process of decision-making within the home.

Thanks for helping your child. Please send the completed checklist of the school with your child. Students will receive a reward sticker for completing the assignment.

Sincerely,
