

Certification of Logic and Accuracy Testing Results

Arkansas Code Annotated § 7-5-515 requires the county boards of election commissioners in each county to test **ALL** voting machines and media for each election to determine that the voting system will correctly count the votes cast for all offices and on all measures at least **seven (7)** days prior to the early voting election day.

If any error(s) is detected, the cause shall be ascertained and corrected and an errorless count shall be made prior to the completion and approval of the machine.

After completion of the test, the county board of election commissioners shall certify the accuracy of the voting system and file the test results with the county clerk.

Name of County: _____
Name of the Election: _____
Date of the Election: _____

Logic & Accuracy Certification Date: _____

Once the test results have been filed in your county clerk's office, please notify your state election coordinator of the L&A certification dated by faxing this form back to **(501) 683-3732** or **(501) 682-3408**.

I certify that the voting machines for the above named election have been properly tested in accordance with A.C.A § 7-5-15 in that:

- A group of test ballots were pre-audited to predetermine the number of valid votes for each candidate and each measure,
- One (1) or more of the pre-audited test ballots were over-voted (they contained votes in excess of the number allowed by law),
- The pre-audited test ballots were voted on the voting machines and all media used for the election was tabulated using UNITY ERM (Election Reporting Manager)
- The voting machine rejected the over-voted ballots,
- The cause of any error was determined and corrected, and
- An errorless count was made before approving the voting machine

I further certify that upon completion of testing:

- The ballots and programs were sealed
- The ballots and programs used will be retained and disposed of as provided by law, and
- This certification was filed with the county clerk attesting the accuracy of the voting system
