DEPARTMENT OF PARKING SERVICES

OUR MISSION STATEMENT: Our mission is to develop and maintain a parking infrastructure that gets people where they need to be as courteously, safely, and efficiently as possible.

The Parking Services office is located on campus in the University Police Building at 623 University Loop East. Regular business hours are Monday-Friday, 8:00 a.m. to 5:00 p.m. All business related to parking must be completed during regular business hours.

ENFORCEMENT OF PARKING REGULATIONS

The enforcement of the ASU Parking and Motor Vehicle Regulations is the joint responsibility of the Department of Parking Services and the University Police Department. All regulations are enforced 24 hours per day, 7 days per week, and 365 days per year unless otherwise noted in the regulations. This document contains the official word on parking regulations on campus. Drivers are advised to not rely on past experience, hearsay, or other unofficial sources when operating and parking a vehicle on campus. If in doubt about any parking or motor vehicle issue, please contact the Department of Parking Services.

DISTRIBUTION OF PERMITS

Distribution of permits will be conducted on dates and at locations announced by the Parking Services department. Persons securing a portable hang tag must register the primary vehicle in which the tag will be displayed. Persons securing a permanent sticker must also register the corresponding vehicle. All vehicle registration information submitted, including license plate numbers, will be subject to verification through the state driver/motor vehicle information system. Updates to current registration information may be provided by contacting Parking Services via office visit, fax, or email. You must provide your ASU ID number, current registration information, and new registration information.

Vehicles are defined as any self-propelled vehicle having two or more wheels.

PERMIT GUIDELINES

ASU parking permits for 2003-04 are valid until 12:00 a.m. on August 15, 2004. Charges for parking permits are assessed to individual accounts by the Office of Finance and Administration.

All vehicles parked on the ASU campus must display a permit issued by the Department of Parking Services. Faculty, staff, and students must display a 2003-04 Arkansas State University system parking permit. Parameters for the operation and parking of motor vehicles at ASU-Jonesboro may be viewed on the campus map. ASU system permits from campuses other than ASU-Jonesboro are honored on the Jonesboro campus. However, only Jonesboro campus parking regulations apply when operating and parking a vehicle on the Jonesboro campus, even if the permit is issued by another campus.

Hang tag permits must be displayed by hanging on the rear view mirror so the entire front surface of the permit is visible. The regulations prohibit the display of a hang tag permit on any part of a vehicle other than a correctly installed rear view mirror. Vehicles equipped with windshield tinting, mirrors, and other objects that prohibit the normal viewing and function of a hang tag permit must display a permanent sticker permit. Also, vehicles not equipped with a correctly installed rear view mirror must display a permanent sticker. Hang tag permits may be moved from vehicle to vehicle.

Permanent sticker permits must be displayed horizontally on the top left corner of rear glass or on the left rear bumper. Alternate methods of display are not permissible. Permanent sticker permits must be applied to back glass as soon as they are purchased.

Replacement permits for a new vehicle purchase, auto accident, or trade-in can be purchased if the owner presents the old permit intact or with readable remains. The replacement costs for permits are as follows: FS - \$10.00, SE - \$5.00, and SD - \$5.00. No reduced pricing exists for any other circumstances necessitating permit replacement including loss and theft.

ASU parking permits are the responsibility of the purchaser and must be removed prior to sale or transfer of the vehicle or upon termination of employment or withdrawal from the university.

Falsifying registration information will result in a fine of \$84.00. A person who allows another individual to purchase a permit for him/her will be fined \$20.00 a day. A citation will be issued to both parties each day until the matter is corrected.

PARKING PERMITS

Student Permits SD \$40.00

Student permits are issued to all students, including evening and Saturday students. The place of residence has no bearing on whether or not a permit is required. Vehicles displaying this permit may be parked in any non-restricted area. All metered and garage parking must be paid. Students with reserved spaces must display a current ASU permit.

Faculty/Staff Permits FS \$60.00

Faculty/Staff permits are issued to faculty and staff. Vehicles displaying this permit may be parked in areas painted green or in any non-restricted area. All metered and garage parking must be paid. Faculty and staff with reserved spaces must display a current ASU permit. Faculty permits will be limited to one. Students driving vehicles displaying FS permits may not park in the faculty/staff area (green). Both the permit owner and the driver will be subject to citations if enforcement personnel observe a driver parked in green as non-faculty.

Staff/Employee Permits SE \$40.00

Staff/Employee permits are issued to employees not wishing to purchase a FS permit. Vehicles displaying this permit may be parked in any non-restricted area. All metered and garage parking must be paid. Employees with reserved spaces must display a current ASU permit.

Temporary Permits TP \$5.00

Temporary permits are issued to faculty, staff, or students who are unable to display their current parking permit. Examples for use include a misplaced permit, permit left in another vehicle, etc. Persons with FS permits may use a temporary permit to park in areas painted green or other non-restricted areas. Persons with SE or SD permits may use temporary permits to park in any non-restricted area. All metered and garage parking must be paid. Temporary permits are valid for one week (7 days) from date of purchase.

Business Permits BP \$40.00

Business permits are issued to persons who are not faculty, staff, or students and who will receive or potentially receive payment for services rendered on or for any campus of the ASU system. Examples include but are not limited to sales, equipment maintenance/repair, vendors, service providers, etc. Vehicles displaying a business permit may be parked in areas painted green and any other non-restricted area. Parking is also allowed in yellow zones for load/unload activities as long as access to fire hydrants, refuse dumpsters, etc. is not impeded. Vehicles must be promptly removed when load/unload activities are complete. All metered and garage parking must be paid.

Construction Permits CP No Charge

Construction permits are issued to persons who are working on construction projects coordinated through the construction office of Facilities Management. Construction permits must be secured from the construction office.

Vehicles displaying a visitor permit may be parked in areas painted green or in any other non-restricted area. All metered and garage parking must be paid.

RESTRICTED PARKING AREAS

YELLOW RESTRICTED PARKING AT ALL TIMES UNLESS OTHERWISE NOTED.

GREEN Only vehicles displaying a FS permit, business permit, visitor permit, disability permit, or temporary disability permit during the following hours: Monday through Thursday, 7:00 a.m. to 6:00 p.m. and Friday, 7:00 a.m. through 1:00 p.m. Unrestricted parking on Saturday, Sunday, and days ASU is closed for business.*

SIGNS/PAVEMENT MARKINGS Restricted by signs and pavement markings.

EVENT PARKING Arkansas State University reserves the right to set aside areas as necessary for special events in all parking areas of the university. The university also reserves the right to temporarily block certain streets as necessary without notice to the public.

*ASU is officially closed for business on designated holidays and other days indicated on the ASU calendar approved by the ASU President's Office. ASU is also officially closed for business when announced by the ASU Office of Public Relations. Cancellation of classes does not necessarily mean that ASU is closed for business.

DISABILITY PARKING

Vehicles parked in disability parking spaces at ASU-Jonesboro must display a current disability license plate or placard issued by any state. Faculty, staff, and students must also display a current ASU parking permit and a disability validation sticker issued by Disability Services. Visitors parking in disability spaces must also display a current visitor permit. In addition to official disability spaces, spaces painted green or any other non-restricted spaces are also available for disability parking with the same permit and validation regulations stated above.

Disability parking designated for vehicles with lift devices only is exclusively dedicated for such purpose. Vehicles without lift

devices that are parked in such spaces will receive citations, even if a disability permit is displayed. Disability parking noted as having van access ramps is not exclusively for such purpose. Any vehicle with proper disability permits may park in van accessible spaces.

Parking in disability spaces without proper permits is a serious offense. Citations issued for this violation carry an \$84.00 fine. Citations are also issued for not displaying a validation sticker and for blocking disability ramp space and recessed street and sidewalk access areas.

Disabled persons are responsible for paying all metered and garage parking. In some lots, disability spaces are metered with wheelchair accessible meters.

Transfer of a disability license or placard is a violation of the Arkansas state law. Offenders will receive citations.

TEMPORARY DISABILITY PARKING

The ASU Student Health Center provides permits for temporary disabilities. Vehicles displaying a current ASU temporary disability permit may be parked in spaces painted green but not in blue and white disability spaces. An ASU temporary disability permit does not provide any additional privileges. An ASU temporary disability permit must be placed face up on the driver side of the vehicle dash.

The Department of Parking Services may direct an authorized commercial garage to carry out any towing action. Violators will be responsible for paying all costs for removal, impounding, and storage of such vehicles. Vehicles may be held until all charges are paid.

MOVING VIOLATIONS

Moving violations include all traffic laws as stated in the Arkansas Motor Vehicle and Traffic Laws and State Highway Commission Regulations. The official ASU citation will be sufficient as a summons for violation of these rules and regulations. In lieu of a university citation, the violator may be issued a uniform traffic

ticket which will be adjudicated in municipal court.

OFFENSES AND PENALTIES

Operating a motor vehicle in any manner which creates a disturbance on campus may be considered a traffic violation. This includes excessive use of boom box, stereo, city ordinance/officer's discretion, horn, illegal exhaust systems, squealing of tires, or placing pedestrians or other drivers in a hazardous situation.

APPEALS

All appeals must be made within seven business days from the issue date of the citation. All appeals must be submitted online at <http://parking.astate.edu>. A \$5.00 fee will be added to all appeals that are denied by the Parking/Motor Vehicle Committee.
