

OCTOBER 20, 2004

PARK DIRECTIVE 2000

CALENDAR YEAR 2005 FEES AND RATES

Fees and rates are reviewed each year and are approved for the next calendar year by the State Parks, Recreation, and Travel Commission, and the Legislative Subcommittee on Administrative Rules and Regulations, as required.

All Park Superintendents will provide Regional Supervisors with recommendations and requests. Museum Directors will provide recommendations to the Director of Historical Resources and Museum Services. All recommendations and requests will include a comparative list of fees and/or rates from similar local facilities and must be fully substantiated. In addition, requests for concession operated facilities will be submitted, to include justification by each concessionaire.

Regional Supervisors and the Director of Historical Resources and Museum Services should receive all information in sufficient time to prepare for the scheduled review of fees and rates each year.
