

REVISION TO PESTICIDE USE AND APPLICATION ACT REGULATIONS

Revise Regulation No. 2 (II)(c) as follows:

(c) Very Coarse Droplet Size May be Greater Than 15 mph

Revise Regulation No. 4(V) as follows:

The license will permit the certified applicator to purchase and use restricted use pesticides in any category under the amended FIFRA or state regulations on pesticide classification.

Revise Regulation No. 6 as follows:

Fee - \$65.00 for dealers handling restricted use pesticides and state classified pesticides with the E or F designation. Note: If license-holding dealers have branches which sell or distribute restricted use or state classified pesticides with the E or F designation, each branch must have a dealer's license.
