Explanation of Updates

Section 262.100 is revised to include the correct procedure codes and modifiers for targeted case management services. The changes are retroactive to 10-13-03.

Attached are updated pages to file in your provider manual.

Arkansas Medicaid provider manuals (including update transmittals), official notices and remittance advice (RA) messages are available for downloading from the Arkansas Medicaid website: www.medicaid.state.ar.us.

If you need this material in an alternative format, such as large print, please contact our Americans with Disabilities Act Coordinator at (501) 682-6789 or 1-877-708-8191. Both telephone numbers are voice and TDD.

If you have questions regarding this transmittal, please contact the EDS Provider Assistance Center at 1-800-457-4454 (Toll-Free) within Arkansas or locally and Out-of-State at (501) 376-2211.

Thank you for your participation in the Arkansas Medicaid Program.

262.100 Targeted Case Management Procedure Codes

10-13-03

The following procedure codes must be used to bill for targeted case management services:

National Code	Modifier	Local Code	Local Code Description
T1017		Z1582	Assessment/Service Plan Updating
T1017	U4	Z1583	Service Management
T1017	U1	Z1584	Service Monitoring

NOTE: Where both a national code and a local code (“Z code”) are available, the local code can be used only for dates of service through October 15, 2003; the national code must be used for both electronic and paper claims for dates of service after October 15, 2003. Where only a local code is available, it can be used indefinitely, but it can be billed only on a paper claim. Where only a national code is available, it can be used indefinitely for both electronic and paper claims.
