

Proposed changes to Rule 6.3B

6.3 B. No Tow Vehicle Safety Permit authorizing operation of a tow vehicle on public roadways in the State of Arkansas shall be issued until a sufficient Tow Vehicle Safety Permit application is filed with the Board. For purposes of these Regulations, a sufficient Tow Vehicle Safety Permit application shall include:

(1) Information Sheet provided by the Board as part of the application completed in its entirety. (Separate Information Sheets are not required when application is for license AND permit(s).)

(2) Inspection Form provided by the Board as part of the application reflecting Rule 7 equipment requirements are met, and that the tow vehicle was examined by a certified law enforcement officer (municipal, county, or state) who so verifies by his/her signature on the Inspection Form, along with Badge # and Agency.

(3) Pictures showing the following views

(a) The License tag,

(b) Name and phone number of business, and

(c) Truck equipment.

(4) Tow Vehicle Safety Permit fee prescribed by the Board.

(5) Current Certificate(s) of Insurance reflecting minimum insurance. Said coverage shall meet state and federal minimum financial responsibility laws for motor carriers (45CRF387.9).
