\*If any deadline date occurs on a weekend or holiday, the deadline will be extended to the following business day.

**\*\*\*A one-time extension of application deadline will exist for high school graduates and high school graduate equivalents during 2007. The application deadline for these applicants will be October 1, 2007 for the Fall 2007 term and January 1, 2008 for the Spring 2008 term.**

### IV. Award Notification and Prioritization of Awards

During times of funding shortages under the Higher Education Opportunities

Grant Program, the Department of Higher Education shall first award those students who received an award in the previous academic year. If sufficient funds are not available to renew the Higher Education Opportunities Grants of prior years' recipients, the available funds will be pro-rated among those recipients.

New applicants will receive the second funding priority. Should sufficient funds be unavailable to award all new applicants, awards will be prioritized beginning with the neediest students first.

The Arkansas Department of Higher Education shall notify each eligible applicant of his/her award. The award notice includes the student's name, address, social security number, the actual amount the student is eligible to receive, and the student's first institutional choice as indicated on the application form. The award notice also explains the Arkansas Department of Higher Education's disbursement procedures and conditions, as detailed in Rule 4, of the Higher Education Opportunities Grant.

V. Eligible Award Notification

Students who are determined to be eligible for participation in the Higher Education Opportunities Grant Program but who have not indicated which Arkansas institution of higher education they will attend shall be classified as eligible. The notice provides instructions for receiving an award and defines the recipient's responsibilities.

## RULE 4 – GRANT PAYMENT POLICIES

---

I. Limits of Payment

A. Payment of Grants

The Arkansas Department of Higher Education shall disburse grant funds to the approved institution of the student's choice. The Arkansas

Department of Higher Education shall send funds to the institution via electronic funds transfer or state warrant. After verification of full-time or part-time enrollment, the institution will disburse the grant funds to the student according to the institution's disbursement procedures. The grant fund payment will correspond to academic terms or equivalent time periods at the eligible institution not to include summer terms. The Higher Education Opportunities Grant will be disbursed in equal disbursements during the fall and spring term. In no instance may the entire amount of the grant disbursement for an educational year be paid to or on behalf of such student in advance nor may a student receive grant payments at more than one (1) institution for the same academic term.

#### B. Transfer of Grants to Another Approved Institution

A recipient who has received a Higher Education Opportunities Grant may transfer the grant to another approved Arkansas institution of higher education, provided that:

1. The student notifies the Arkansas Department of Higher Education, in writing, of the change of status by October 1 for the fall term and by February 1 for the spring term;
2. When transferring institutions between the fall and spring terms, the student must submit a transcript to ADHE, which certifies that the student has maintained a 2.0 GPA at the institution the student is leaving.

#### C. Renewal of Grant

The grant recipient shall receive a grant for one (1) academic year, renewable for up to a total cumulative award amount of \$4,000, provided the recipient maintains at least a 2.0 cumulative grade point average on a 4.0 scale.

A student may not use these funds for educational purposes beyond the baccalaureate degree.

#### D. Cancellation of the Grant

1. The award will be terminated for any of the following reasons:
  - a. Failure to maintain at least a 2.0 cumulative grade point average on a 4.00 scale.
  - b. Failure to receive funds for three (3) academic terms (terms do not have to be consecutive).

2. The recipient is responsible for notifying, in writing, the Arkansas Department of Higher Education of any change in status (i.e. transfer to another eligible institution in Arkansas, change in name, etc.) before appropriate deadline dates. Failure to provide written notification may result in the cancellation of the grant for that term.

#### E. Military Service

Recipients who are members of the Arkansas National Guard or Armed Forces Reserve units who are called to active duty for reasons other than regular unit training and are unable to complete the current term will be allowed to repeat the missed term without loss of grant credit. In addition, they will be placed in deferred status until six months after release from active duty, at which time they must be re-enrolled in an approved institution.

#### F. Repayment of Grant

If the recipient of a grant withdraws, drops out, or is expelled on or after the first day of class of a payment period, the institution will determine whether the student received an overpayment of financial aid funds for non-institutional expenses. Overpayment is the difference between the amount received as cash disbursements and the amount incurred for non-institutional costs during the portion of the payment period that the student was actually enrolled. It is the institution's responsibility to contact students and recover overpayments.

#### G. Refunds

The Higher Education Opportunities Grant Program is entitled to a refund of the grant amount, for that semester, if the recipient of a grant withdraws, drops out, or is expelled on or after his or her first day of class of the payment period and the situation falls under the refund policy of the institution. The institution shall pay the refund to the Arkansas Department of Higher Education.

#### H. Overpayment

If the award of a Higher Education Opportunities Grant results in an overpayment to the student according to the state law governing the anti-stacking of scholarships, the institution shall follow the ADHE policy in reducing the student's financial package to prevent the student from receiving funds above the federally recognized cost of attendance.

## RULE 5 – INSTITUTIONAL RESPONSIBILITIES

---

### I. College/University Responsibilities

#### A. Administrative Agreement

The chief executive officer of the eligible institution is responsible for appointing one representative from the financial aid office to act as administrator of the Higher Education Opportunities Grant Program and to receive all communications, forms, etc. This representative is responsible for verification, data and compliance with all program rules and regulations. The institution must comply with all rules and regulations in order to maintain continued eligibility status.

#### B. Disbursement Records

The institution shall maintain information on the student indicating disbursement of grant funds.

#### C. Institutional Verification

The institution shall provide certification of full-time or part-time enrollment, as of the close of business on the eleventh day of classes, by completing a Verification Roster each semester after registration. The Verification Roster is an alphabetical listing by institution of all persons receiving the award for a given academic term. The certifying official is responsible for completing the verification rosters each term. The Arkansas Department of Higher Education shall provide Verification Rosters to the Financial Aid Administrator for each term as needed. The Verification Rosters shall be returned to the Arkansas Department of Higher Education by November 1 for the fall term and by April 1 for the spring term. The Arkansas Department of Higher Education shall also provide continuing eligibility rosters to the Financial Aid Administrator before the end of the spring term. The continuing eligibility rosters shall be returned to the Arkansas Department of Higher Education no later than June 15 to ensure that adequate time is provided to notify students of their status in the program.

#### D. Deadlines for Disbursement of Funds

The deadline for disbursement of funds is no later than 10 days after receipt of funds. Any outstanding funds not disbursed by these dates must be returned to the Arkansas Department of Higher Education. For those students whose applications are received by ADHE too late to allow disbursement by these dates, disbursement will be made within 10 working days of receipt of the verification roster and receipt of funds.

#### E. Due Diligence

The institution will exercise due diligence in providing complete, accurate, and timely information as requested by the Arkansas Department of Higher Education on any Higher Education Opportunities Grant recipient or former recipient. In addition, the institution will exercise due diligence in complying with all the rules and regulations of the Higher Education Opportunities Grant Program. The Arkansas Department of Higher Education shall periodically review the institution's records concerning this program in an effort to exercise its due diligence requirements as a steward of state funds.
