Explanation of Updates

Section 242.191 is being revised to add and delete procedure codes and modifiers in order to have the program manual pages duplicate information found in the Arkansas Medicaid Fee Schedule. National and local descriptions and payment methods for several procedure codes have been revised to duplicate information found in the Medical Management Information Systems (MMIS). Prior authorization requirements for several procedure codes are being changed from ‘No’ to ‘Yes’ to comply with information found in MMIS. Several local ‘Z’ codes are being deleted because the equipment is covered by national procedure codes. Information has been added to advise that when using a procedure code that has an Arkansas Medicaid description, the product must meet the indicated description.

Paper versions of this update transmittal have updated pages attached to file in your provider manual. See Section I for instructions on updating the paper version of the manual. For electronic versions, these changes have already been incorporated.

If you need this material in an alternative format, such as large print, please contact our Americans with Disabilities Act Coordinator at 501-682-8323 (Local); 1-800-482-5850, extension 2-8323 (Toll-Free) or to obtain access to these numbers through voice relay, 1-800-877-8973 (TTY Hearing Impaired).

If you have questions regarding this transmittal, please contact the EDS Provider Assistance Center at 1-800-457-4454 (Toll-Free) within Arkansas or locally and Out-of-State at (501) 376-2211.

Arkansas Medicaid provider manuals (including update transmittals), official notices and remittance advice (RA) messages are available for downloading from the Arkansas Medicaid website: www.medicaid.state.ar.us.

Thank you for your participation in the Arkansas Medicaid Program.

Procedure codes found in this section must be billed either electronically or on paper with modifier **EP** for beneficiaries under 21 years of age or modifier **NU** for beneficiaries age 21 and older. When a second modifier is listed, that modifier must be used in conjunction with either **EP** or **NU**.

Modifiers in this section are indicated by the headings M1 and M2. Prior authorization requirements are shown under the heading PA. If prior authorization is needed, that information is indicated with a “Y” in the column; if not, an “N” is shown.

Other coding information found in the chart:

- ¹ **The purchase of this component for beneficiaries age 21 and older is limited to one per five-year period.**
- ² **The purchase of this wheelchair component for beneficiaries under age 21 is limited to one per two-year period.**
- * **The purchase of wheelchairs for beneficiaries age 21 and older is limited to one per five-year period.**
- ** **Bill only for beneficiaries under age 21.**
- # **This procedure code is payable for beneficiaries ages 2 through 20. Prior authorization is required through Utilization Review.**
- **** **Items listed require prior authorization (PA) when used in combination with other items listed and the total combined value exceeds the \$1,000.00 Medicaid maximum allowable reimbursement limit.**
- ◆ **Prior authorization is not required when other insurance pays at least 50% of the Medicaid maximum allowable reimbursement amount.**

Note: W/C or w/c indicates wheelchair.
