

Department of Health  
Protective Health Codes

Our agency uses the International Code Council's (ICC) Mechanical Codes as our state rules regarding the regulation of heating, ventilation, air conditioning and refrigeration (HVAC/R) systems. Our agency adopts the ICC version in accordance with Administrative Procedures Process. However, the ICC documents are copyrighted...

The codes may be purchased from the ICC by contacting the International Code Council @ 1-800-786-4452 to order the Arkansas Codes. The fax number to fax orders is 866-891-1695. To mail orders with checks is the Chicago District office in Country Club Hills, IL.
