V. Ineligible Notification

The Arkansas Department of Higher Education shall notify applicants who are determined to be ineligible and provide the reason for ineligibility. They will also be given instructions on how to correct any information on the application they believe to be incorrect.

G. Repayment of Scholarships

If the recipient of a scholarship withdraws, drops out, or is expelled on or after the first day of class of a payment period, the institution will determine whether the student received an overpayment of financial aid funds for noninstitutional expenses. Overpayment is the difference between the amount received as cash disbursements and the amount incurred for non-institutional costs during the portion of the payment period that the student was actually enrolled. It is the institution's responsibility to contact students and recover overpayments.

H. Refunds

The Arkansas Academic Challenge Scholarship Program is entitled to a refund of the scholarship or loan amount, for that semester, if the recipient of a scholarship or loan withdraws, drops out, or is expelled on or after his or her first day of class of the payment period and the situation falls under the refund policy of the institution. IV. Award Notification and Prioritization of Awards

The approved allocation for the nontraditional student category under the Academic Challenge Scholarship Program Part 2 shall be divided equally between the approved 2-year and 4-year institutions of higher education. The funds allocated for the approved 2-year and 4-year institutions of higher education will then be divided equally among two (2) categories of students:

1. Delayed Student – An eligible applicant who did not enroll in college within one year of high school graduation AND has no prior college credit, other than concurrent credit that was earned in high school or credit earned via prior learning assessment or corporate or military credit.
2. Earn-In Student – An eligible applicant who has attended or is currently enrolled in a postsecondary institution AND does not currently receive the Academic Challenge Scholarship Program Part 1 and who is not awarded as a traditional or current achiever student under Academic Challenge Scholarship Part 2.

Scholarships for applicants attending a 2-year college will be prioritized within each of the two (2) categories in the following manner:

Delayed Students:

Prioritization of awards is based on ACT or ACT equivalent score, first awarding those who do not need any remediation based on the state's designated minimum scores on the ACT or ACT equivalent in Math, English Composition and Reading. Earn-In Students:

The department's selection criteria will consist of value points assigned to achievement measures and other criteria including: level of progress towards completion of a qualified certificate, nursing diploma or associate degree; enrollment in or intent to enroll (by declaring a major) in a program of study in an area of critical workforce need as

determined by the department or is in a science, technology, engineering, or mathematics field; and postsecondary grade point average. Value points assigned to each selection criterion are weighted as follows:

Highest level of progress toward completion of a qualified certificate, nursing diploma, or associate degree -----70%

Postsecondary grade point average (based on a 4.0 grading scale)-----
-----20%

Enrollment in or intent to enroll (by declaring a major) in a program of study in an area of critical workforce need as determined by the department or is in a science, technology, engineering, or mathematics field. -----10%

Scholarships for applicants attending a 4-year university will be prioritized within each of the two (2) categories in the following manner:

Prioritization of awards is based on ACT or ACT equivalent score, first awarding those who do not need any remediation based on the state's designated minimum scores on the ACT or ACT equivalent in Math, English Composition and Reading. After all students who do not require any remediation are awarded, if funds are still available, then students who need remediation will be awarded.

Postsecondary grade point average (based on a 4.0 grading scale)-----
-----20%

Enrollment in or intent to enroll (by declaring a major) in a program of study in an area of critical workforce need as determined by the department or is in a science, technology, engineering, or mathematics field. -----10%
