Scope of Rules

These rules set forth the procedures for poll watchers, challenging votes, and for issuing, processing, and counting provisional ballots. These rules are in addition to and not a substitute for the laws of the State of Arkansas.

§ 900 Definitions

- (a) Absentee Ballot Processing Site – a place designated by the county board of election commissioners in the courthouse where election clerks for absentee ballots meet on election day for the purpose of processing absentee ballots.¹
- (b) Additional Identification Requirement – documentary identification in addition to proof of identity that certain first-time voters who register by mail must show to cast a regular ballot during early voting or at the polls on election day. Acceptable identification documents include a copy of a current and valid photo identification, or a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter.²
- (c) Administrator - the administrative head of a long-term care or residential care facility licensed by the state.
- (d) Ballot Style – a ballot’s combination of contests and issues to be voted upon that is unique to each precinct or part of a precinct.
- (e) Challenged Ballot Form – the applicable portions of a “provisional voter envelope” (see Attachment “A”) that are completed when a poll watcher challenges a voter, identifying the voter whose vote was challenged, the poll watcher, the reason for the challenge, the applicable provisional voter number from the list of provisional voters (see Attachment “B”), poll, precinct, ballot style, and the date and time of the challenge under the signature of both the poll watcher and the challenged voter.
- (f) Counting Site – a location selected by the county board of election commissioners with respect to all elections for the processing and/or counting of votes.³
- (g) County Board of Election Commissioners – the three-member board in each of the 75 counties in this State responsible for conducting all elections within their respective county, including two members elected by the county committee of the majority party and one member elected by the county committee of the minority party or persons appointed by the state chair of either the majority or minority parties to fill a vacancy in that party’s position.⁴
- (h) Documentation from the Administrator –a letter on facility letterhead, dated and signed by the administrator which specifically identifies the full name of the resident in the body of the letter

¹ A.C.A. §§ 7-5-414(a); 7-5-416(a)(1)

² A.C.A. § 7-5-201(e) as amended by Act 595 of 2013

³ A.C.A. § 7-1-101

⁴ A.C.A. § 7-4-102(a), as amended by Act 1056 of 2011

and is valid for one year after the date it is signed and issued. The letter issued by the administrator can be used by a resident of a long-term care facility as identification during early voting, on election day at a polling location, and when voting by absentee ballot.⁵

- (i) Election Clerk – for the purpose of these rules, a person possessing the same qualifications as a poll worker who is designated by the county board of election commissioners to process, count, and canvass absentee ballots⁶ under the supervision of the county board.
- (j) Election Official – a person who is a member of the county board of election commissioners or a person who is a poll worker designated by a county board of election commissioners to be an election clerk, election judge, or election sheriff.⁷
- (k) Eligibility Affirmation – a written affirmation executed by a provisional voter in the presence of the poll worker at the poll stating that he or she is a registered voter in the precinct in which he or she desires to vote and is eligible to vote in that election (see Attachment “A”).⁸
- (l) First-time Voter Registered by Mail – any registered voter, except those exempted by Arkansas Code Annotated § 7-5-201(e)(2), who has not previously voted in a federal election in the state and whose registration application arrived at the county clerk’s office or Secretary of State’s office by mail.⁹ “First-time voters registered by mail” who do not provide identification when registering are flagged by the county clerk for an additional identification requirement. “First-time voters registered by mail” who provided a valid driver’s license number or the last four (4) digits of their social security number on their voter registration application form are considered as having provided identification if a state or local election official can match the driver’s license or social security number with an existing state identification record bearing the same number, name and date of birth as provided in the registration. Registration applications arriving in bulk by means other than the mail at the registrar’s office or delivered by leaders of voter registration drives are considered to have been delivered in person, not by mail, and are, therefore, not considered “first-time voters registered by mail” and not flagged by the county clerk for the additional identification requirement.
- (m) Polling Site – a location selected by the county board of election commissioners where votes are cast.¹⁰
- (n) Poll Watcher – any authorized representative of a candidate, any authorized representative of a group seeking passage or defeat of a measure on the ballot, and any authorized representative of a political party with a candidate on the ballot who is present at a polling site or an absentee ballot processing site to observe and ascertain the identity of persons presenting themselves to vote at the polls or to observe and ascertain the identity of absentee voters for the purpose of challenging any voter in person or for the purpose of challenging any absentee vote. A candidate may be present at an absentee ballot processing site to observe and ascertain the identity of absentee voters for the purpose of challenging any absentee vote. A candidate or an authorized

A candidate may be present in person during early voting only for the purpose of observing whether or not votes are fairly and accurately cast.¹¹

- (o) Poll Watcher Authorization Form – an affidavit, in the form specified by law, designating and authorizing a poll watcher. The “poll watcher authorization form” must be filed with the county clerk and a file-marked copy presented to an election official immediately upon entering the polling site, absentee ballot processing site, or counting site. Candidates in person at early voting, attending a counting site or an absentee ballot processing site must present identification, but are not required to present a Poll Watcher Authorization Form (see Attachment “C”).¹²
- (p) Poll Worker – an election official designated by the county board of election commissioners to be an election clerk, election judge or election sheriff at a polling site.
- (q) Precinct – the geographical boundary lines dividing a county, municipality, township, or school district for voting purposes.¹³

- (s) Proof of Identity:
 - (1) A voter identification card issued by the county clerk pursuant to Act 595 of 2013 OR
 - (2) A document or identification card that meets all of the following conditions:

 - (b) Shows a photograph of the person to whom the document was issued;
 - (c) Is issued by the United States, the State of Arkansas, or an accredited postsecondary educational institution in the State of Arkansas; and
 - (d) If displaying an expiration date, the document or card is not expired or expired no more than four (4) years before the date of the election in which the person seeks to vote.
 - (3) Documents or Identification cards that comply with the above requirements for proof of identity may include, without limitation, the following:
 - (a) A driver’s license;
 - (b) A photo identification card;
 - (c) A concealed handgun carry license;

 - (i) A voter identification card as provided under Act 595 of 2013 and rules propounded by the Secretary of State¹⁶
- (t) Provisional Ballot –a ballot cast and/or considered by special procedures to record a vote when there is some question concerning a voter’s eligibility or compliance with certain statutory requirements. Provisional ballots are counted upon verification of a voter’s eligibility or compliance with those statutory requirements.¹⁷
- (u) Provisional Voter Envelope – an envelope used by poll watchers for voter challenges and by poll workers for voter qualification issues containing information relating to provisional voters, including a provisional voter’s eligibility affirmation, the reason for voting provisional, the ballot style voted, the county clerk’s certification of the provisional voter’s registration status, and the disposition of the provisional ballot upon review by the county board of election commissioners. A “provisional voter envelope” shall have printed on it all the information sought by Attachment “A”.

§ 901 Failure to Provide Voter Identification

A. In-person Voters

A person voting at the polls during early voting or on election day who did not present proof of identity, or, if a resident of a long-term care or residential care facility licensed by the state, who did not provide either proof of identity or documentation from the administrator of the facility attesting that the person is a resident of the facility, shall be offered a provisional ballot.¹⁸

B. Additional Identification Requirement

A first-time voter voting at the polls during early voting or on election day who was flagged on the Precinct Voter Registration List for compliance with the additional identification requirement and who did not provide required identification shall be offered a provisional ballot.¹⁹

C. Absentee Voters

The absentee ballot of a voter who, if required by law, does not submit with the absentee ballot a copy of current and valid photo identification or a copy of a current utility bill, bank statement, government check, paycheck, other government document that shows the name and address of the voter, or documentation from the administrator shall be considered as a provisional ballot.²⁰

§ 902 Precinct Voter Registration List

A. Voter's Name Missing

When a voter provides his or her name, address, and date of birth to a poll worker, and the voter's name is not on the precinct voter registration list, the poll worker must:

- 1) Contact the county clerk's office to verify the voter's registration status, and
- 2) Allow the voter to cast a **REGULAR** ballot (if the county clerk informs the poll worker that the voter is listed as a registered voter of the precinct),²¹ or
- 3) Allow the voter to cast a **REGULAR** ballot (if the county clerk informs the poll worker that the voter transferred his or her registration from another county not later than four (4) days before the election and that the voter is at the correct poll in the new county of registration),²² or
- 4) Send the voter to his or her correct polling site where the voter may cast a **REGULAR** ballot (if the county clerk informs the poll worker that the voter is listed as a registered voter at a different precinct in the county), or
- 5) Allow the voter to cast a **PROVISIONAL** ballot at the disputed polling site (if the county clerk informs the poll worker that the voter is listed as a registered voter at a different precinct in the county, but the voter insists that he or she is at the correct polling site), or

- 6) Allow the voter to cast a **PROVISIONAL** ballot (if the county clerk is unable to verify the voter's registration, but the voter contends that he or she is both registered in the precinct in which he or she desires to vote and is eligible to vote).²³

B. "Voted Absentee" Notation

Upon delivery of an absentee ballot to an individual authorized to receive an absentee ballot, the county clerk shall mark the electronic voter registration record and the precinct voter registration list to indicate that an absentee ballot has been delivered to the voter under the procedures in this section.²⁴

Any person to whom an absentee ballot is delivered according to the precinct voter registration list, but who chooses to vote by early voting or to vote at his or her polling site on election day, shall be permitted to cast a provisional ballot at the poll.²⁵

§ 903 Poll Watcher Challenges

A. Official Recognition/Credentials

Poll watchers representing a candidate, group, or political party must file a "poll watcher authorization form" (see Attachment "C") with the county clerk of the county in which the polling site, absentee ballot processing site, or counting site is located and present a file-marked copy of the valid form to the election officials immediately upon entering the polling site, absentee ballot processing site, and/or counting site.²⁶

A candidate may not be present in person at the polls on election day as a poll watcher. A candidate may be present in person as a poll watcher during the counting and tabulation of ballots and the processing of absentee ballots.²⁷

A candidate may be present in person at early voting locations only for the purpose of observing whether or not votes are fairly and accurately cast, but a candidate may not challenge voters as a poll watcher during early voting and may speak only to a designated poll worker.²⁸ A candidate who is present in person at an early voting location for the purpose of observing may not speak to voters or disrupt the orderly conduct of the election. A candidate who is a public official and who is present in person at an early voting location for the purpose of observing shall not wear on his or her person any uniform, badge, or other apparel or equipment that identifies the candidate as a public official.

A candidate who is present in person at an early voting location for the purpose of observing or during the counting and tabulation of ballots and the processing of absentee ballots as a poll watcher is not required to present a "poll watcher authorization form", but must present some form of identification to an election official immediately upon entering the site.

²⁷ A.C.A. § 7-5-312(a)(1),(e)

²⁸ A.C.A. § 7-5-413(d)

Only one (1) authorized poll watcher per candidate, group, or party at any one (1) time may be officially recognized as a poll watcher at each location within a polling site where voters identify themselves to election officials and at each location within the absentee ballot processing site where absentee ballots are processed.²⁹

Only one (1) authorized poll watcher per candidate or party at any one (1) time may be officially recognized as a poll watcher at the counting of ballots at the polling site, central counting location, or absentee ballot counting location.³⁰

Poll watcher rights and responsibilities must be posted in plain view at each polling site, absentee ballot processing site, and counting site.³¹

B. Challenges

Authorized poll watchers who are officially recognized at a polling site may stand close enough to the place where voters check in to vote so as to hear the voter's name and may challenge an ineligible voter upon notifying a poll worker of the challenge before the voter signs the precinct voter registration list and upon completing a "challenged ballot form" (see Attachment "A").³²

A poll watcher may challenge a voter only on the grounds that the voter is not eligible to vote in the precinct or that the voter has already voted in the election.³³

When election clerks appointed by the county election commission to process, count, and canvass absentee ballots read the name and voting precinct of an absentee voter, any qualified poll watcher may challenge the vote in the same manner provided by law for personal voting challenges, and the election clerks must consider the absentee ballot as a provisional ballot.³⁴

§ 904 Court-Ordered Extension

A person who votes in an election as a result of a federal or state court order or any other order extending the time established for closing the polls may vote in the election only by casting a provisional ballot. The provisional ballots cast as a result of the order must be separated and held apart from other provisional ballots cast by provisional voters not affected by the order.³⁵

§ 905 Voting a Provisional Ballot

Provisional ballots cast at the polls during early voting or on election day shall be handled as follows:

- 1) If as a result of a poll watcher challenge, the poll watcher must notify a poll worker of the challenge before the voter signs the precinct voter registration list and must complete a “challenged ballot form” (See Attachment “A”), and a poll worker must inform the voter that his or her ballot is being challenged³⁶
- 2) If as a result of failure to meet an identification requirement, a poll worker must inform the voter of the reason the voter is not allowed to cast a regular ballot.
- 3) The provisional voter must execute a written eligibility affirmation in the presence of the poll worker stating that he or she is both a registered voter in the precinct in which he or she desires to vote and eligible to vote in the election.³⁷
- 4) The poll worker shall initial the back of the ballot, remove the ballot stub from the provisional ballot, and place the stub in the stub box provided.³⁸
- 5) The provisional voter shall mark his or her ballot.³⁹
- 6) The provisional voter shall place his or her voted ballot in a ballot secrecy envelope marked “PROVISIONAL BALLOT” and seal the envelope (nothing else goes in this envelope).⁴⁰
- 7) The provisional voter shall then place the sealed ballot secrecy envelope marked “Provisional Ballot,” containing his or her voted provisional ballot in a “provisional voter envelope”, seal it, and give it to the poll worker.⁴¹
- 8) The poll worker must provide the provisional voter a copy of the notice prescribed in §906 (a).⁴²
- 9) The poll worker must make and retain a separate list of the names and addresses of all persons casting a provisional ballot (see Attachment “B”).⁴³
- 10) The poll worker must preserve, secure, and separate all provisional ballots from the remaining ballots⁴⁴ and forward all sealed “provisional voter envelopes” in a secured container provided for that purpose to the county board of election commissioners after the polls close.
- 11) The county board of election commissioners will forward in a secured container the sealed “provisional voter envelopes” to the county clerk’s office for completion of the certification portion of the envelope.
- 12) Upon completion of the certification portion of the envelope, the county clerk returns the secured container of sealed “provisional voter envelopes” to the county board for determination before certification of the election results as to whether the provisional ballots are valid and should be counted.⁴⁵

For absentee ballots which become a provisional ballot, the absentee ballot clerk shall place the absentee ballot materials in a provisional voter envelope and should check the “Other” box and write the word “*Absentee*” next to the box marked “Other” on the form provided on the provisional ballot envelope (Attachment “A”). The absentee ballot clerk should also indicate the reason for making the

For inconsistent Voter Statements, the absentee clerk should write “*inconsistent statement*” after the word “*Absentee*” after the “Other” box on the provisional ballot envelope.

§ 906 Notice to Provisional Voters

- (a) Whenever a person casts a provisional ballot at the polls during early voting or on election day, the poll worker must provide the voter a copy of a notice that includes the following information:
- That the provisional voter will be notified by first class mail whether his or her vote was counted and the reason if not counted.⁴⁶
 - That a provisional voter who cast a provisional ballot for failure to present proof of identity may present proof of identity or an affidavit of indigence or religious objection to the county clerk or the county board of election commissioners by noon of the first Monday following the election in order for the provisional ballot to be counted;
 - The address, telephone number, and regular office hours of the county clerk;
 - The dates of any meetings of the county board of election commissioners scheduled before noon of the next Monday following the election;
 - An explanation of the provisional voting process; and
 - The date, time, and address of a hearing for the voter if the provisional ballot is rejected.
- (b) Whenever an absentee ballot is made provisional for failure to submit required identification with the ballot, the county election commission must send notice by first-class mail to the voter’s absentee mailing address and the voter’s registration address and deliver such notice electronically or by telephone, if possible. The notice shall include the following information:
- That the provisional voter will be notified by first class mail whether his or her vote was counted and the reason if not counted.⁴⁷
 - That a provisional voter who cast a provisional ballot for failure to provide required identification may present the required identification or an affidavit of indigence or religious objection to the county clerk or the county board of election commissioners in any matter allowed for in § 806 of the Rules for Voter Identification by noon of the first Monday following the election in order for the provisional ballot to be counted;
 - The address, telephone number, and regular office hours of the county clerk;
 - The dates of any meetings of the county board of election commissioners scheduled before noon of the next Monday following the election;
 - An explanation of the process by which the voter’s ballot was made provisional; and
 - The date, time, and address of a hearing for the voter if the provisional ballot is rejected.
- (c) The system that the Secretary of State has established for provisional voters to be notified whether their ballot was counted requires written notice mailed first class to the provisional voter by the county board of election commissioners. Sample notices may be obtained from the Secretary of State’s office. The notice shall include the following:
- A statement whether the provisional ballot was counted or was not counted;

⁴⁶ A.C.A. § 7-5-308(c)

⁴⁷ A.C.A. § 7-5-308(c)

- If the provisional ballot was preliminarily determined to be invalid, the reason the ballot was not counted; and
- The date, time, and address of a hearing by the county board regarding the voter's eligibility to vote in the election.

(d) Access to information about an individual provisional ballot shall be restricted to the individual who cast the ballot.⁴⁸

§ 907 Review of Provisional Ballots

The county board of election commissioners shall determine whether provisional ballots are valid before certifying the election.⁴⁹

The county board shall examine the sealed outer "provisional voter envelope" (see Attachment "A"), including the challenged ballot portion, if any, the eligibility affirmation of the provisional voter, if any, and the county clerk's certification of the provisional voter's registration status without unsealing the outer "provisional voter envelope" or removing or opening the inner ballot secrecy envelopes marked "PROVISIONAL BALLOT" containing the provisional voter's voted ballot.

Based upon the examination of the sealed outer "provisional voter envelope" and any additional information available, the county board shall make a determination of whether the provisional ballot was cast by an eligible voter and was the correct ballot for the precinct of the voter's residence according to the precinct listed on the voter's eligibility affirmation or the registration address of the absentee voter.⁵⁰

If the county board makes an initial determination that the provisional ballot will not be counted, the county board must notify the provisional voter of the reason for rejecting the provisional voter's ballot and of the date, time, and place for a hearing and other information as provided in these rules before a final determination is made.⁵¹

When the information on the outer "provisional voter envelope" indicates that a voter at the polls cast a provisional ballot for both failure to present proof of identity and another reason, the county board shall first determine whether the voter is eligible to vote in the precinct. If it is determined that the voter who cast a provisional ballot for failure to provide proof of identity and for another reason is eligible to vote, or if the provisional ballot was cast only for the reason that the voter failed to present proof of identity, then the county board shall count the ballot if proof of identity or an affidavit of indigence or religious objection has been provided to the county board or the county clerk by noon of the first Monday following the election.

When the information on the outer "provisional voter envelope" indicates that an absentee ballot is being considered as a provisional ballot for both failure to present identification and another reason, the county board shall first determine whether the voter is eligible to vote in the precinct. If it is determined that the voter whose ballot is being considered as a provisional ballot for failure to

provide identification and for another reason is eligible to vote, or if the ballot was made provisional only for the reason that the absentee voter failed to present identification, then the county board shall count the ballot if identification has been provided to the county board or the county clerk by noon of the first Monday following the election pursuant to these rules and the Rules for Voter Identification.

When reviewing the provisional ballot cast at the polls by a flagged first-time voter who registered by mail and did not meet the additional identification requirement when registering or voting, the county board should not base its initial determination of whether or not to count the ballot solely on the provisional voter's failure to meet the additional identification requirement. As long as proof of identity has already been provided, the provisional ballot should be rejected only if the voter failed to provide additional identification and there is a determination, independent of the failure to meet the additional identification requirement, that the person who voted is not eligible to vote in the precinct.⁵²

When reviewing the provisional ballot of any person who was delivered an absentee ballot according to the precinct voter registration list, but then chose to cast a provisional ballot at an early voting or election day polling site, the county board shall:

- 1) Count the voter's absentee ballot rather than the provisional ballot cast at the polling site, if the absentee ballot was returned and processed for counting on election day before the time of counting provisional ballots, or
- 2) Count the voter's provisional ballot cast at the polling site, if the voter's absentee ballot was not returned or was not processed for counting on election day by the time of counting provisional ballots.

The county board must complete the disposition portion of the "provisional voter envelope" and notify each provisional voter by first class mail as to whether or not his or her provisional ballot was counted.

⁵² § 803 of the State Board of Election Commissioners' Rules on Voter Identification

§ 908 Hearing

Provisional voters shall be allowed to appear before the county board to contest the county board's initial decision to disqualify their ballots and to present evidence that they were registered to vote and voted the correct ballot for the precinct of their residence or, if applicable, that they presented required identification during early voting, on election day or by noon of the first Monday after the election.

If these provisional voters do not appear for a hearing or otherwise provide satisfactory evidence of their registration status or required identification, then the ballot shall not be counted.

The commission then completes the election commission's portion of the list of provisional voters form (see Attachment "B"), and all records are preserved in accordance with the laws governing preservation of ballots and election materials.

The process of hearing and final decision must be completed by the deadline to certify the election results.

§ 909 Counting Provisional Ballots

Unless enjoined by a court of competent jurisdiction, a provisional ballot shall be counted if:

- 1) It is cast by a registered voter who provided required identification and it is the correct ballot for the precinct of the voter's residence according to the precinct listed on the voter's eligibility affirmation; or
- 2) It is cast by a registered voter who failed to present proof of identity at a polling place during early voting or on election day but who presents proof of identity or an affidavit of indigence or religious objection to having his or her photograph made to the county clerk or the county board no later than the first Monday following the election; or
- 3) It is the absentee ballot of a voter who is required to provide identification with his or her ballot and who failed to provide the required identification, but who complies with the post-election submission procedures contained in the Rules for Voter Identification § 806.⁵³

In counting provisional ballots, the county board must ensure the secrecy of the ballot pursuant to Amendment 81 of the Arkansas Constitution.

Provisional ballots are counted as follows:

- 1) the commission completes the election commission's portion of the list of provisional voters form (see Attachment "B"),
- 2) an election official opens the outer "provisional voter envelope" (see Attachment "A") for those on the list marked to be counted (see Attachment "B"),
- 3) the election official removes the sealed inner ballot secrecy envelope marked "PROVISIONAL BALLOT" containing the provisional voter's voted ballot,
- 4) the election official places the sealed inner ballot secrecy envelope marked "PROVISIONAL BALLOT" containing the provisional voter's voted ballot in a ballot box provided for that purpose,

⁵³ A.C.A. § 7-5-308(d)(2); 7-5-321(c) as provided in Act 595 of 2013

- 5) when all the outer “provisional voter envelopes” have been opened and all the sealed inner ballot secrecy envelopes placed in the ballot box, the election official shakes the ballot box thoroughly to mix the sealed envelopes containing the provisional ballots,
- 6) the ballot box is then opened, the secrecy envelopes containing the voted provisional ballot opened, and the provisional ballots canvassed and counted, and
- 7) all records are preserved in accordance with the laws governing preservation of ballots and election materials.

§ 910 Prosecuting Attorney

Following each election, the county board of election commissioners may review the precinct voter registration lists for voters not providing identification at the polls and forward the information to the prosecuting attorney for investigation of possible voter fraud.⁵⁴

If, upon examination of any provisional ballot, the county board suspects that a violation of election laws has occurred, the county board may refer the matter to the prosecuting attorney for that county.⁵³

§ 911 Preliminary and Unofficial Results

The processing and counting of provisional ballots, including hearings, shall not delay the declaration of preliminary and unofficial results required by Arkansas Code Annotated § 7-5-701. When reporting preliminary and unofficial results, the county board of election commissioners should also report the number of uncounted provisional ballots pending review and the number of outstanding overseas absentee ballots.

§ 912 Official Certified Results

The official certified results of the election shall include the votes cast on all provisional ballots that were determined by the county board of election commissioners to be valid.

§ 913 Effective Date

These emergency rules are effective upon filing.
