

## **How to Complete the Absentee Ballot Application**

1. Date the application and address it to your county clerk's office. A list of county clerks with contact information is available [here](#).
2. **Section 1:** Indicate the reason you are requesting an absentee ballot.
3. **Section 2:** Indicate your current residential situation.
4. **Section 3:** Indicate the election(s) for which you wish to receive an absentee ballot. For example, if you are wishing to receive an absentee ballot for the next general election, you will select "November General Election/Nonpartisan Judicial Runoff."
  - Voters with disabilities, voters in a long-term or residential care facility, or voters living outside of the county may request to receive absentee ballots for all elections for one calendar year.
  - UOCAVA voters may request to receive an absentee ballot for all elections through the next Federal General Election Cycle. For more information about UOCAVA voters, click [here](#).
5. **Section 4:** Indicate how you would like to receive your ballot.
  - If you are using a designated bearer, administrator, or authorized agent to pick up your ballot, please ensure that they print and sign their name in the appropriate area on the application.
  - Note: Only UOCAVA voters may receive their ballot via electronic means.
6. Enter your printed name, the address at which you are registered to vote, date of birth, and phone number at the bottom of the application. **Sign the application.**
7. Read all notes and acknowledgements included on the application.
8. Double check all of your selections and information.
9. Ensure the designated bearer, administrator, or authorized agent has signed the application, if applicable.
10. Return your application to your county clerk via mail, hand delivery, email, or fax.
