RE: 2006 Roster of Arkansas Registered Foresters

Dear Governor:

On behalf of the Board of Registration for Foresters, I am transmitting to you the Thirty-sixth Roster of Arkansas Registered Foresters. Arkansas Code §17-31-101 through 310 contains the specific laws governing Registered Foresters. The purpose of the law is to protect the public, especially private individual landowners, from fraudulent, uneducated practitioners. To maintain their license, Registered Foresters must earn six Continuing Forestry Educations units per year. Each Registered Forester agrees to conform to a Code of Ethics concerning his/her professional conduct.

This Roster lists 529 foresters who met the requirements to be licensed as Arkansas Registered Foresters for the year 2006. This includes 23 newly Registered Foresters since April 2005 and those foresters who renewed their license. We have made every effort to ensure the correctness of the Roster. In the event of errors or omissions, the Board will send appropriate correspondence to inquiring parties.

Should you have any questions related to the practice of forestry, please contact the Board by one of the above means.

Sincerely,  
ARKANSAS BOARD OF REGISTRATION FOR FORESTERS
