RE: 2013 Roster of Arkansas Registered Foresters

Dear Governor:

Arkansas Code §17-31-207(b) requires the Board of Registration for Foresters to print a Roster of Arkansas Registered Foresters. Arkansas Code §17-31-101 through 310 contains the specific laws governing Registered Foresters. The purpose of the law is to protect the public, especially private individual landowners, from fraudulent, uneducated practitioners. To maintain their license, Registered Foresters must earn eight Continuing Forestry Education units per year including one hour of ethics. Each Registered Forester agrees to conform to a Code of Ethics concerning his/her professional conduct.

This Roster lists 459 foresters who met the requirements to be licensed as Arkansas Registered Foresters for the year 2013. This includes 6 newly Registered Foresters since April 2012 and those foresters who renewed their license. We have made every effort to ensure the correctness of the Roster. In the event of errors or omissions, the Board will send appropriate correspondence to inquiring parties.

Should you have any questions related to the practice of forestry, please contact the Board by one of the above means.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Montgomery".

Rebecca Montgomery, R.F.
Executive Director

REQUIREMENTS FOR RENEWING REGISTERED FORESTERS LICENSE

By December 1 each year, the Board will send each Registered Forester in this Roster a renewal notice. If you have a change of address during the year, please notify the Board before November. The notice will include the following "CFE LOG."

To renew your 2013 Registered Forester license, the board requires persons who are licensed to complete not less than eight (8) qualifying continuing forestry education (CFE) hours during the previous year. One of these hours must be in forestry ethics.

"The board may waive the continuing forestry education requirements in cases of hardship, illness, or retirement from active forestry practice."

"Renewal of certificate of registration shall be for an annual fee set annually by the board." For FY2013, the Board has set the registration and renewal fees at \$30.
