No person shall practice any phase of cosmetology and its related occupations with the intent of receiving compensation when the person does not hold a current and valid license issued by the Board, nor can any licensed cosmetologist practice any phase of cosmetology and its related occupations other than in a licensed cosmetology establishment except when services rendered involve a special event in which the cosmetology service is to be performed for an on-site participant of the event.

RULE NO. 4 EXAMINATIONS

(4.1) Eligibility

The Department will admit to examination for a license any person who has acquired training in cosmetology, manicuring, or aesthetics, as stipulated in A.C.A.17-26-304, any person who has acquired training in Electrology as stipulated in A.C.A.17-26-306, any person who has acquired training in Electrology Instructor as stipulated in A.C.A.17-26-307.. Any person who owes a financial obligation to the Department will be deemed ineligible to examine until the debt is paid in full.

(A) If the training was provided in this state, then the school of cosmetology or postsecondary school of cosmetology is responsible for submitting a Certificate of Training form to the Department confirming the completion of hours. Hours must be certified by the school of cosmetology or postsecondary school of cosmetology in order to be eligible for the examination. Certified hours mean that tuition has either been paid in full or the person has signed a promissory note that is acceptable to the school.

If the Department's records agree that the person has met all eligibility requirements, and does not owe a financial obligation to the Section, then the person will be deemed eligible to schedule for examination.

(B) If the training, completed or partial, was obtained in another state, then the applicant must meet eligibility requirements. The applicant is responsible for arranging to have sent to the Department his/her certification from the other state or school in which the hours were obtained. If the Department determines eligibility requirements are met, the applicant will be required to take the Arkansas written and practical exams.

(C) Reciprocity

(A) Upon application to the Department in the form provided for the particular class of license applied for, accompanied by the required fee, a person licensed as a cosmetologist, electrologist, manicurist, aesthetician or instructor under the laws of another state shall be granted a license to practice the occupation or occupations in the state not of greater scope than the occupation or occupations for which the applicant was previously licensed in the other state, upon the following conditions:

- (1) That the applicant for license as a cosmetologist, manicurist, or aesthetician is not less than eighteen (18) years of age and the applicant for a license as an instructor or electrologist is not less than twenty-one (21) years of age;
- (2) That the applicant holds a current valid license upon application for reciprocity, evidenced by certified copy of the license and an affidavit from the other state or by such other evidence as the Department may require;
- (3) That the applicant has passed an examination comparable to the examination given in this state; and

(4) That the applicant passes an Arkansas law examination under this chapter.

(B) All foreign documents submitted for the purpose of complying with the requirements for examination shall be original copies and translated in the English language.

(C) A person who is registered or licensed under the laws of another state is not permitted to practice in this State until said person is licensed by the Arkansas State Board of Health.

(4.2) General Policies and Procedures

(A) The Section and/or any designated testing provider will establish exam deadline dates, cancellation policies, interpreter policies, supply requirements and dress codes for examinations. All such information shall be made readily available to schools of cosmetology, postsecondary schools of cosmetology, students and reciprocity applicants. Updated Candidate Information Bulletins (CIBs) will be posted on the Department's website and, if appropriate, on the website of the designated testing provider responsible for administering practical examinations.

(4.3) Grades

A passing grade of seventy-five (75) is required in the practical part and a grade of seventy (70) is required in the written part pertaining to the mandated curriculum, as well as the state law exam. In addition, a grade of seventy (70) is required on the state law exam when taken independently.

RULE NO. 5 REQUIREMENTS FOR SCHOOLS OF COSMETOLOGY, POSTSECONDARY SCHOOLS OF COSMETOLOGY, AND ESTABLISHMENTS

(5.1) Health and Safety Rules

(A) Enforcement

(1) An establishment owner, school owner or postsecondary school owner and the person in charge of any such establishment, school of cosmetology or postsecondary school of cosmetology, shall be liable for implementing and maintaining the Health and Safety Rules in the establishment, school of cosmetology or postsecondary school of cosmetology. This shall be done individually and jointly with all persons employed by or working in or on the premises of such establishment, school or postsecondary school. All practitioners, school, postsecondary school and establishment owners, and students shall be held individually liable for implementation and maintenance of the Health and Safety Rules as applicable.

(2) To assure compliance with the laws and rules governing the operations of school of cosmetology, postsecondary school of cosmetology and establishment, the Department's authorized representatives shall have access to the premises of any school of cosmetology, postsecondary school of cosmetology or establishment, at any time that the school, postsecondary school, or establishment is open for business or at any time that the instruction or practice of cosmetology is being conducted.

(3) Refusal to permit or interference with, an inspection and/or audit constitutes a cause for disciplinary action.

(4) All persons performing acts of cosmetology and its related occupations except students in schools of cosmetology or postsecondary schools of cosmetology shall present satisfactory proof of identification upon request by an authorized representative of the Department. All persons working in an establishment, school of cosmetology, or postsecondary school of cosmetology shall present a photographic driver's license or photographic identification card issued by any state, federal, or other recognized government entity. Failure to present valid proof of identification shall be grounds for disciplinary action.

(5) Conducting or operating a school of cosmetology, a postsecondary school of cosmetology or establishment without a current, valid license shall be grounds for disciplinary action.

(6) Allowing a person to engage in or attempt to engage in the occupation of a cosmetologist, manicurist, electrologist, aesthetician in or about an establishment or allowing a person to engage in or about a school of

cosmetology or a postsecondary school of cosmetology, without a current valid Arkansas license shall be grounds for disciplinary action.

(7) Performing acts of cosmetology or attempting to perform acts of cosmetology for compensation in any form, without a current, valid Arkansas license shall be grounds for disciplinary action.

(B) Consumer Information.

(1) A copy of the most recent inspection sheet- shall be posted in a conspicuous area.

(2) All establishments and schools of cosmetology, postsecondary schools of cosmetology licenses, practitioners' licenses, student permits and instructor licenses shall be conspicuously posted in a designated place in reception areas, at the individual work stations, or in the clinic area.

(3) No license which has expired or become invalid for any reason whatsoever shall be displayed by any person in connection with the practice of cosmetology or any of its branches. Any expired or invalid license so displayed shall be surrendered to the Department upon request.

(C) Physical Facilities

(1) **Water Supply and Sewage** – A safe and adequate supply of continuous hot and cold running water shall be provided from an approved source. All water-carried sewage shall be disposed of by means of an approved sewage disposal system constructed and operated in conformance with the standards established for such systems by the Arkansas Department of Health.

(2) **Plumbing** – Plumbing shall be installed and maintained to promote the following:

(a) to carry adequate quantities of water to required locations throughout the school of cosmetology, postsecondary school of cosmetology or an establishment;

(b) to prevent contamination of the water supply;

(c) to properly convey sewage and liquid wastes from school of cosmetology, postsecondary school of cosmetology or an establishment to the sewerage or sewage disposal system; and

(d) to not constitute a source of contamination of equipment, implements, supplies, or create an unsanitary condition or nuisance. All plumbing shall conform to the current State Plumbing Code.

(3) **Toilet Facilities, Fixtures and Plumbing** – Where toilet facilities are made available or otherwise required, said facilities, fixtures and other plumbing shall be installed in accordance with the Arkansas State Plumbing Code and meet standards set by the Arkansas Department of Health. No toilet facility shall be used for storage of implements or supplies for services performed on the public.

(4) **Hand Washing Facilities** – Each school of cosmetology, each postsecondary school of cosmetology, and each establishment shall provide hand washing facilities installed in accordance with the Arkansas State Plumbing Code. The facilities shall have a soap dispenser (with soap) and disposable towels or an air dryer for hands. Common towels and bar soap are prohibited.

(5) **Drinking Water** – Each school of cosmetology, each postsecondary school of cosmetology, and each establishment shall supply drinking water from a supply meeting the requirements set forth by the Arkansas Department of Health. No school of cosmetology, postsecondary school of cosmetology, or establishment shall provide any cup, glass, or other receptacle for common use.

(6) **Garbage and Refuse** – Garbage and refuse shall be kept in durable, easily cleanable, containers that do not leak and do not absorb liquids. No school of cosmetology, each postsecondary school of cosmetology, or establishment shall permit an accumulation of garbage or refuse. Garbage and refuse shall be disposed of often enough to prevent the development of odor and the attraction of insects and rodents.

(7) Insect and Rodent Control – Each school of cosmetology, each postsecondary school of cosmetology, and each establishment shall be kept in such condition as to prevent the harborage or feeding of insects or rodents.

(8) Cleanliness and Repair – Each school of cosmetology, each postsecondary school of cosmetology, and each establishment shall keep the floors, mats, walls, woodwork, ceilings, equipment, doors, windows, mirrors, lights and similar closures, furnishings, attached equipment, decorative materials and fixtures clean and in good repair. Concrete or pumice blocks used for interior wall construction shall be finished, filled and sealed. All of the above mentioned items shall be free of leak spots, mildew, peeling paint and shall be easily cleaned.

(9) Floor Construction – Floors and floor coverings of each school of cosmetology, each postsecondary school of cosmetology, and each establishment in the working area or clinical area shall be constructed of smooth, non-absorbent, durable material and shall be maintained in good repair.

(10) Carpet – Carpet shall not be permitted in the working area or clinical area. Carpet, if used as a floor covering in other areas of a school of cosmetology, each postsecondary school of cosmetology, or establishment, shall be maintained in good repair.

(11) Lighting – Permanently fixed artificial light sources shall be installed to provide sufficient light on the working area or clinical area.

(12) Ventilation – Each school of cosmetology, each postsecondary school of cosmetology, and each establishment shall have sufficient ventilation installed and operated according to State and local requirements to keep them free of excessive heat, steam, condensation, vapors, smoke and harmful fumes.

(13) Minimum Equipment – Each school of cosmetology, postsecondary school of cosmetology and establishment shall have and maintain the following minimum equipment:

(a) a liquid disinfecting receptacle to hold instruments and supplies with an EPA registered disinfecting solution that is bactericidal, capable of destroying bacteria; virucidal, capable of destroying viruses; and fungicidal, capable of destroying fungi. Disinfectants must be used according to manufacture labels to be safe and effective. Contact time listed on the manufacturers label must be adhered to at all times to effectively destroy pathogens. The receptacle must be large enough that the instruments and supplies are completely submerged. The disinfectant solutions shall remain covered at all times and shall be changed daily or whenever visibly cloudy or dirty;

(b) All clean linens must be kept separate and covered;

(c) All soiled linens must be in a separate receptacle from clean ones;

(d) All cleaned instruments must be kept in a separate, enclosed area;

(14) Animals in Schools of cosmetology, postsecondary schools of cosmetology, and Establishments—Animals are prohibited from being inside school of cosmetology, a postsecondary school of cosmetology, or establishments. Exceptions include:

(a) Service animals that are accompanying a client with a disability. In the event that an authorized Department representative observes an establishment owner's or school of cosmetology owner's, postsecondary school of cosmetology owner's, or client's animal within the premises of the establishment, school of cosmetology or postsecondary school of cosmetology, then the establishment, school or cosmetology or postsecondary school of cosmetology owner shall describe the impairment for which the animal is trained to provide assistance in order to ensure that the animal is not simply a pet; and

(D) Instructors shall be permitted to tutor students after school hours providing services are not performed on the public during tutoring sessions and students are not given credit for hours spent in the tutoring capacity.

(7. 21) Responsibility of School of Cosmetology or Post-Secondary School of Cosmetology

(A) Training Requirements

(1) Actual experience time is defined as classroom instruction or clinical work or experience under supervision of a licensed instructor. Extended break time should be on a scheduled basis, such as lunch, coffee, etc., and shall not be counted as classroom instruction time or creditable time. The only creditable time permitted when the clinic facility is closed will be classroom instruction.

(2) All schools of cosmetology or post-secondary schools of cosmetology shall provide each student enrolled the opportunity to acquire the entire course of training uninterrupted by unscheduled vacations or for any reason that may cause a delay in the completion of such course. The school shall certify the training in accordance with the required curriculum for examination and license. This provision does not prohibit a school from suspending a student for disciplinary reasons. Grounds for suspension shall be determined by the owner. Only students who have been placed on probation, as a result of a previous infraction of the school rules and regulations or policies, may be suspended from school. Duration of a suspension shall be set forth in the school catalog.

(3) Certification of hours must be filed with the Department within thirty (30) calendar days immediately following termination of student. Hours of instruction having been acquired by the student may not be deducted or increased for any reason. Increase or decrease of creditable hours is prohibited.

(4) Certification of hour's forms should be completed by the designated school official, along with the student training permit and paid-in-full contract. Only the hours that have been accrued during the current enrollment shall be certified. In the event a student has not paid for all of the accumulated hours a notation shall be made at the bottom of the certification form stating the number of uncertified hours. Uncertified hours will not be released until a new certification form is submitted. Certification of Hours Forms may be obtained from the Department upon request and are available for downloading on the Department's website at www.healthyarkansas.com.

(5) Required textbooks: The Department must approve textbooks. Textbooks must adequately cover the prescribed curricula and prepare students for State testing. Other textbooks and reference material may be used to enhance the cosmetology course.

(B) Monthly Reports for Schools of Cosmetology or Postsecondary Schools of Cosmetology

(1) All schools of cosmetology or post-secondary schools of cosmetology are required to the Cosmetology Section database, by the last day of each month, all students currently enrolled in the school during the prior month. The monthly report shall reflect the number of hours acquired in the school during the prior month and the accumulated hours during the current enrollment.

(2) The Cosmetology Section will notify the school of cosmetology or post-secondary school of cosmetology when an error has been made on the monthly report. Upon receipt of this notification the school owner or instructor is required to check their records and appraise the Cosmetology Section office of the corrections made within the week.

(3) All schools of cosmetology or post-secondary schools of cosmetology have thirty (30) calendar days from the submission date of the monthly report to report any errors in the hours submitted on the monthly report. Copies of the time cards and/or supporting documentation related to the error shall support corrections. (4) No changes to student hours will be made after the thirty (30) day timeframe without good cause.

(4) No school of cosmetology or post-secondary school of cosmetology owner or instructor shall ever refuse to submit a Certificate of Training form for a student, as well as a Balance Due on Tuition form, if applicable, pursuant to Rule 7.21 A.

(C) Daily Records and Inspection for Schools of Cosmetology or Postsecondary Schools of Cosmetology

(1) Every school of cosmetology or post-secondary school of cosmetology shall keep a daily record of attendance on each student enrolled. A time clock shall be used for the purpose of recording hours.

(2) Every school of cosmetology or post-secondary school of cosmetology shall keep a daily record of the student's activity. The time the student has acquired in the various phases of cosmetology or its related branches shall be recorded on this record.

(3) The school of cosmetology or post-secondary school of cosmetology shall establish a grading system and hold examinations before issuing diplomas.

(4) All necessary basic subjects, in accordance with the Department's curriculum shall be taught in the proper sequence and depth to prepare each student both for the licensing examination and for successful entry level work in the profession.

(5) A course outline and daily lesson plans shall be used by the school of Cosmetology or Postsecondary School of Cosmetology. A course outline shall be provided to students so they will be apprised of the upcoming activities.

(6) Schools of cosmetology or post-secondary schools of cosmetology shall be inspected to determine compliance with applicable licensing code and rules governing cosmetology schools and programs administered in a state or public-operated school. A school of Cosmetology or Postsecondary School of Cosmetology license will be issued upon receipt of a compliance inspection by a representative of the Department. During an inspection, the inspector may review the records maintained by the school of Cosmetology or Postsecondary School of Cosmetology; review the course outline and lesson plans and generally evaluate the operation of the school of Cosmetology or Postsecondary School of Cosmetology. School owners may contact the Department to discuss the recommendations and/or to request a hearing before the Cosmetology Technical Advisory Committee. Failure to comply with the licensing requirements will be grounds for disciplinary action and license denial.

(D) Tuition and Fees for Schools of Cosmetology or Postsecondary Schools of Cosmetology

(1) Every school of cosmetology or post-secondary school of cosmetology shall fix its tuition at such an amount as will enable it to furnish without further charge to the student all supplies used on the public or on mannequins. Each

student shall have access to a complete kit of tools, textbook and copies of the instructional materials used prior to the beginning of the course in which those materials are needed.

(2) The student shall not be permitted to remove the kit from the school of cosmetology or post-secondary school of cosmetology until such time the student has completed his/her training or withdraws from school of cosmetology or post-secondary school of cosmetology provided the student has purchased the kit from the school of cosmetology or post-secondary school of cosmetology.

(E) School Catalog for Schools of Cosmetology or Postsecondary Schools of Cosmetology

(1) Every school of cosmetology or post-secondary school of cosmetology shall set forth basic information about itself in a catalog which is kept up to date and made available to prospective students and the Department.

(2) The catalog must include the following items as a minimum: name and address of school of cosmetology or post-secondary school of cosmetology; date of publication; when the school of cosmetology or post-secondary school of cosmetology was established; admission requirements; educational objectives of each program; length of course and course description; grading system; graduation requirements; type of document received upon graduation; refund policy; name(s) of owners and scholarship and fee waiver policies.

(3) Either the catalog or a dated supplement to the catalog must include: total tuition for the course; books and supplies; registration fee or enrollment fee; charges for extra instruction; all other costs assessed to students; details, conditions, and methods of payment of monies owed to the school of cosmetology or post-secondary school of cosmetology; school of cosmetology or post-secondary school of cosmetology policies, rules and regulations; disciplinary action for failure to abide by policies or rules and regulations; and name of administrative staff and faculty of the school of cosmetology or post-secondary school of cosmetology.

(F) School of Cosmetology or Post-Secondary School of Cosmetology Rules and Regulations/Catalog

(1) Prior to adoption, amendment, or repeal of any rule or regulation or catalog, the school of cosmetology or post-secondary school of cosmetology shall give notice of its intended action to the students enrolled in school of cosmetology or post-secondary school of cosmetology. The notice shall include the following:

- (a) The effective date;
- (b) Whether the regulation(s) is new, repeals, or changes an existing rule;
- (c) What the regulation(s) is.

(2) After the students are given notice in the proper form all students enrolled in said school of cosmetology or post-secondary school of cosmetology will be required to sign a document stating that they have been apprised of the intended action.

(3) After the regulation(s) has been adopted by the school of cosmetology or post-secondary school of cosmetology a supplement which contains the revisions shall be attached to all catalogs that the school of cosmetology or post-secondary school of cosmetology has on hand.

(G) School of Cosmetology or Post-Secondary School of Cosmetology Contracts

School of cosmetology or post-secondary school of cosmetology owners who require contracts as a prerequisite for enrollment will be required to file one (1) copy of the contract with the Department and provide a copy to the student. The contract must clearly outline the obligation of both the school of cosmetology or post-secondary school of cosmetology and the student in accordance with the terms and conditions stipulated in the school catalog. All contracts must contain the following:

- (1) The name and address of the school of cosmetology or post-secondary school of cosmetology.
- (2) The name and address of the applicant.
- (3) Course of Training – Total hours of instruction.
- (4) School Term- Stipulate full or part-time. Must state the number of hours each day and days per week.
- (5) Schedule of Payments – State tuition and whether the tuition includes the cost of the kit and book. If the kit and book are not included in the tuition said items must be itemized. The down payment, balance of the contract and the monthly payments must be stated.
- (6) The school of cosmetology or post-secondary school of cosmetology refund policy must be stated.
- (7) Acknowledgement that the student received a copy of the school of cosmetology or post-secondary school of cosmetology rules and regulations and catalog.
- (8) Contracts of under aged student shall be signed by a parent or guardian. Parent or guardian signature is required for students under eighteen (18) years of age.

To comply with Ark. Code Ann. § 25-15-204(e), please complete the following Financial Impact Statement and file two copies with the questionnaire and proposed rules.

SHORT TITLE OF THIS RULE Rules and Regulations for Cosmetology in Arkansas

1. Does this proposed, amended, or repealed rule have a financial impact? Yes No
2. Is the rule based on the best reasonably obtainable scientific, technical, economic, or other evidence and information available concerning the need for, consequences of, and alternatives to the rule? Yes No
3. In consideration of the alternatives to this rule, was this rule determined by the agency to be the least costly rule considered? Yes No

If an agency is proposing a more costly rule, please state the following:

(a) How the additional benefits of the more costly rule justify its additional cost;

(b) The reason for adoption of the more costly rule;

(c) Whether the more costly rule is based on the interests of public health, safety, or welfare, and if so, please explain; and;

(d) Whether the reason is within the scope of the agency's statutory authority; and if so, please explain.

4. If the purpose of this rule is to implement a federal rule or regulation, please state the following:

(a) What is the cost to implement the federal rule or regulation?

7. With respect to the agency's answers to Questions #5 and #6 above, is there a new or increased cost or obligation of at least one hundred thousand dollars (\$100,000) per year to a private individual, private entity, private business, state government, county government, municipal government, or to two (2) or more of those entities combined?

Yes No

If YES, the agency is required by Ark. Code Ann. § 25-15-204(e)(4) to file written findings at the time of filing the financial impact statement. The written findings shall be filed simultaneously with the financial impact statement and shall include, without limitation, the following:

(1) a statement of the rule's basis and purpose;

(2) the problem the agency seeks to address with the proposed rule, including a statement of whether a rule is required by statute;

(3) a description of the factual evidence that:

(a) justifies the agency's need for the proposed rule; and

- (b) describes how the benefits of the rule meet the relevant statutory objectives and justify the rule's costs;
- (4) a list of less costly alternatives to the proposed rule and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
 - (5) a list of alternatives to the proposed rule that were suggested as a result of public comment and the reasons why the alternatives do not adequately address the problem to be solved by the proposed rule;
 - (6) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule and, if existing rules have created or contributed to the problem, an explanation of why amendment or repeal of the rule creating or contributing to the problem is not a sufficient response; and
 - (7) an agency plan for review of the rule no less than every ten (10) years to determine whether, based upon the evidence, there remains a need for the rule including, without limitation, whether:
 - (a) the rule is achieving the statutory objectives;
 - (b) the benefits of the rule continue to justify its costs; and
 - (c) the rule can be amended or repealed to reduce costs while continuing to achieve the statutory objectives.
